WORD FOR THE MONTH

Our Presiding Bishop Wesley J. Arije has given us the word for the month of April. This is the month of “Newness”.

Welcome to the month whereas old was past and the new began. Resurrection is the Newness of death. Joy is the newness of Sadness. Faith is the Newness of Fear. Light, the Newness of our

darkness.

After the month of March (Month of Rebirth), Newness is the aftermath.

The scripture admonished us in Isaiah 43:18-19, “Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland.”

Here are the 5 Things about our newness:

- The former things pass away and all things are made new.
- New beginnings happen in season
- The end is more important than the beginning.
- Perseverance is the path to newness.
- Newness can start right where you are. 2 Corinthians 5:17

RECAP OF MARCH 2023

The 20th Year Celebration of our Senior Leaders Bishop Wesley and Pastor Betty Arije was monumental. The resplendent beauty and fastidiousness exuded the spirit of excellence that we have been taught and demonstrated over their 20 years of service.

Friday Night was the genesis of our two day celebration. We journeyed back to the town where it all began, Dyersburg TN.

The celebration was held at our mother church. It is the 3rd location of our Dyersburg Campus. God brought us from a one room, one bathroom, one office church rental building to owning over 30 acres of land, and multiple properties. We are now one church in five locations.

The atmosphere at the POH Dyersburg Campus was electrifying. We had special guest travel all the way from Carbondale, Illinois and other cities. It was truly an honor to have our founding Mother Addie Gillepsie, the wife of our Founder and Emeritus Bishop C. W. Gillepsie in attendance. The Spirit of the Lord moved graciously throughout the service as we gave honor to God for Pastors after his own heart.

Our facilitators Pastor Joshua and Ashley Gilyard did an awesome job. The Praise and Worship Team and Dance Team from POH and March of Faith Community Church along with the best musicians on this side of heaven, set the place on "FIRE". Bishop Sorrell E. Gillepsie preached a powerful message that tremendously blessed our honorees and encouraged the saints to keep the unity of the

Spirit and abide in the bond of peace as we continue marching on by faith. Here are some pictures of the Friday Night's Celebration.

Saturday's Celebratory Banquet was fit for a King and a Queen. Our leaders have fed us tirelessly in Pavilion of Hope Ministries where they have labored for 20 years. They also have served numerous sons and daughters across the world. Bishop Wesley J. Arije also Presides as Bishop of the March of Faith International Fellowship and Pastor Betty Arije co - labors with him at his side.

We seized this opportunity to shower them with love and felicitations locally and globally from as far as London, England, Nassau Bahamas and Lagos, Nigeria.

IN OTHER NEWS...

The month of March was an exciting month of celebration and rebirth. One of the things that was rebirth was our passion to see our men back in position as the head of their families, leading in the church, in communities, in schools and in government. So the MOFIF Southern Region initiated a “Men” Istry Men’s Discussion Panel. This panel featured our young men and our older men, kind of an old school, new school perspective on some hot topics. Topics such as sexuality, men praying, men leading their families, men in ministry, men in the marketplace etc. It was really refreshing to have the men pour out their hearts and show us their perspectives on these subjects and show us some biblical principles that can help rear our next generation.

Thank God for our Presiding Bishop Wesley J. Arije and our Southern Region Bishop Manuel E. Donis for facilitating and approving this initiative to strengthen the Men in ministry as we now see that “Men Is Trying”. They may not have it all together. They are by no means perfect but we can stand with them in solidarity and help them when we see that they are trying! (Bishop Arije).

MARCH FIRST FRIDAY SOUTHERN REGION FELLOWSHIP SERVICE

During our March meeting the Shekinah Glory of God filled the temple. It arrested the atmosphere and we could do nothing but worship and wait on him to complete his work.

The word of God was taught by a dynamic woman of God Dr. Brenda Parham, Pastor of Word of Deliverance Church. Her timely message was entitled, “When Leaders Bleed”.

This word brought healing and deliverance to Gods people. Here are some pictures:

Remember that there remains a higher call of God for all of us. So don't be weary in well doing, fight the good fight of faith, get in the press and fulfill the plan God has for you. Remember you don't have to do it alone. This is a fellowship, there is strength in numbers. Look in the announcements and see what is happening in the Fellowship and attend a service, encourage someone else with your presence. You can also join in the monthly first Friday Fellowship services that are going on at one of the MOFIF Churches on the schedule. The next First Friday Southern Region Fellowship is May 5, 2023, 7pm @ Fellowship Church of God, 1212 Forest Mann Circle, Brownsville, TN. 38012, Pastor Dennis.
