WORD FOR THE MONTH

Our Presiding Bishop Wesley J. Arije has given us the word for the month of July. This is the month of "HIS PRESENCE".

The angels of the Lord welcomes you into the seventh month. The month of God's fulfillment!

Scripture Text; Psalms 16:11 KJV

"Thou wilt shew me the path of life: in thy presence is fulness of joy; at thy right hand there are pleasures for evermore."

Our praises and our worship causes him to be present. He inhabits our praise, he lives in the praises of his people.

It's only when God is present that he speaks. Moses saw a bush that was burning but it was not consumed. He realized he was approaching a place of His presence. He was bold enough to ask God to make himself known unto him. Today we may not necessarily ask for the presence of God like Moses did. We build a habitation for his presence through our praises which shows him we are asking for his presence. Because he inhabits or dwells in the praises of his people.

Elijah went into a cave and thought God was in the loud noise but he finally realized God was in the still voice. When he got in His presence then he received the word from the Lord.

Mary had a totally different experience she was actually carrying the presence. When God presented himself to Mary that is when what she was carrying was revealed. God is Omnipresent but we must realize although he is present everywhere at the same time. HIS Presence isn't manifesting everywhere. What we are carrying will only be revealed and explained to us through his presence.

Isaiah 6:1

In the year king Uzziah died (the carrier of his presence)...God made himself known to Isaiah the prophet. He saw the Lord sitting on the throne only because he was present. Three things happen when God is present:

1. You start seeing (evidence that he is present)
2. He is high and lifted. Only your spiritual eyes can see higher than high. Your carnal mind cannot comprehend the things of God.
3. His train (His Glory) filled the temple. This reveals his size! The smallest part of him fills the biggest part of you. The closer you get to God the smaller your problems¹ become.

If you follow the path of life you will live in his presence. Fullness of joy means there is joy that is not full. There is the highest joy or maximum joy but you have never experienced it until you get into his presence. This joy is so serious the Bible calls it the fullness, it is unmatched! When we enter into his presence we are at the maximum joy that can be experienced.

At His right hand or hand of power there is pleasure for ever more. This ever in evermore is longer than just ever, there is no end. It is only in the spirit you can see and experience this pleasure for ever more.

I declare you will not just know of an Omnipresent God but you will have a genuine encounter with his presence, as you create an atmosphere that will eventuate a dwelling place for him. The presence of the Lord will be revealed to you as it was revealed to Isaiah and you will see him. You will encounter him like Elijah and you will hear him clearly speaking in a still small voice. You will be overshadowed by him as he comes upon you and you will see and know that you are carrying his presence. Everywhere you go his presence will go and have a salient impact not only in your life but in the life of those around you. His presence will bring fullness of joy to you, your family, your home, your business and all relationships. People you encounter will see, feel and experience His Presence and souls will be drawn to his presence in you and desire the Christ. His Presence will lead to a progressive harvest of souls and an addition to the church.

MOFIF Southern Region 1st Friday Fellowship Service

The first Friday in May Fellowship Service was hosted by Pastor Mary Wells, Church of the Gospel, Memphis, TN.

Pastor Wells is truly a woman of God that is fastidious in setting an atmosphere for the presence of God. She sought out a building that would accommodate the MOFIF Southern Region first Friday meeting. She made sure everything was conducive for a move of God. Her heart really showed in her preparation and presentation.

The Praise and worship was on “10”!! The Praises caused a propagation of heaven on earth. This opened up a path for the gospel to be preached by Pastor Mary Wells. The message was titled “A Basket of Summer Fruits”, Scripture text; Amos chapter 8.

The elucidation of this text revealed how resplendent summer fruit can be but it also revealed that looks can be deceiving. The times we are living in it looks like great prosperity in the church and the beautiful edifices are reflecting the productivity and wealth of the church but not so spiritually! This outward appearance is pernicious. We were warned by this Woman of God in her message to take heed. The Lord sent a warning to get our houses in order and to take heed to his word, repent, seek his face and get in right relationship with God. Because there is a famine coming from the Lord. Not for bread, nor of thirst for water but hearing the words of the Lord. There will come a time when people will wander from sea to sea, north and east running to and fro to seek the word of the Lord and shall not find it. This power full word caused the spirit of repentance and reconciliation to birth a spirit of Revival. Many came to the altar and received from the Lord!

June was indeed a glorious and triumphant month. We experienced God's favor in an unusual way that left our hearts a little sad but in expectation of that grand rising of all Gods children when we are caught up to meet Jesus in the air.

Our Mother Addie Gillespie, Superintendent of Women's Department, Widow of our Emeritus Bishop C. W. Gillespie and mother of Bishop Sorrell E. Gillespie went home to be with her Lord.

Our dear sister Pastor Adenike Lamai the wife of Overseer CMD Lamai also transitioned into her heavenly home.

God has increased our great cloud of witnesses and given us favor in heaven. We thank God for allowing us to labor and serve with these two generals in the kingdom here on earth. We can testify that these women of God, kept the faith, ran a good race and finished their course.

We bid them farewell and we say good night

and take your rest. We will see you in the morning!

Our prayers and condolences go out to the Gillepsie and Lamai families. May the sweet communion of the Holy Spirit rest with you and comfort you in your times of bereavement. The March of Faith International Fellowship family stand with you!

MARCH OF FATITH INTERNATIONAL FELLOWSHIP

Remember that there remains a higher call of God for all of us. So don't be weary in well doing, fight the good fight of faith, get in the press and fulfill the plan God has for you. Remember you don't have to do it alone. This is a fellowship, there is strength in numbers. Look in the announcements and see what is happening in the Fellowship and attend a service, encourage someone else with your presence. You can also join in the monthly first Friday Fellowship services that are going on at one of the MOFIF Churches on the schedule. There will not be a First Friday Southern Region Fellowship in July because everyone will be attending our 15th HOLY CONVOCATION!
