WORD FOR THE MONTH

Welcome to the birthing of a new month, the month of March is the month of PASSION! Our last month prepared us, empowered us and brought us to a place of passion. With that passion we can run through troops and leap over walls.

What is Passion? Passion is any very strong emotion, enthusiasm, a strong inclination towards something you like. Scripture Matthew 6:33 (NLT) Seek the Kingdom of God above all else, and live righteously, and he will give you everything you need.

We may have passion for many things but we must develop a strong inclination toward the kingdom of God

and his righteousness then we must seek it above all else. So we seek God's righteousness passionately, (getting rid of all hidden sin, forgiving others of their trespasses, not seeking our own will, etc), above all else. We must passionately pursue righteous living not the blessings because when we live righteously all the other things, finance, health, houses, cars, relationships will be added.

The Passion or enthusiasm is the driving force that helps us live righteously, read the word of God and develop a prayer life. Passion is also the force that gives sense to our lives as it provides excitement, joy, anticipation and explodes within us possibilities of accomplishing our personal goals in life.

Last but not least we will approach passion during this season of Resurrection from the Passion of Christ dying for our sins but we will also approach it from the passion of obedience. With Christ's passion was intertwined the strong inclination to obey God's will, it was the driving force that drove him to die on that cross.

He said, "Lo I come in the volume of the book it is written of me to do thy will O God". So he invested his time, energy, and life into pursuing the will of the Father. We must allow his true passion of obedience to the will of the Father to be our driving force. Then we will find that we can fulfill the scriptures in Gal. 5:16, Walk in the Spirit and ye shall not fulfill the lust (passion) of the flesh. His passion will lead us to obedience and service to him and his kingdom. That means passion is work! Rom.12:11 As you serve the Lord, work hard and don't be lazy, be excited about serving him! In other words you must invest your time and energy into your passion to do the will of the father.

When we truly have the passion of Christ we have a zeal for the things of God that is not easily quenched. It ignites a fire within us to want to do more for the kingdom. We become passionate Agents of Change. Let the passion for the kingdom be so great in your life that you focus on nothing else. Let it become the driving force that causes you to do great exploits, win many souls, be a greater witness in your everyday life that others will be drawn to the Christ in you.

RECAP OF THE MONTH OF FEBRUARY

Our month began with an awesome 1st Friday Fellowship meeting in Dyersburg TN. Host Pastors Darrell and Gloria McElrath and the POH Dyersburg family did a beautiful job welcoming the MOFIF Southern Region to our first fellowship service of 2024.

Pastor Darrell's message was entitled "My Fight is Different". When you are engaging in a spiritual battle it is not necessarily your position that leads to victory. Position does not guarantee fulfillment or victory but if you have the passion with the position that will lead you to accomplish the vision God has placed in your heart.

Some of the most influential people in the world or in the church have no title in front of their names. You don't need a position to have power but you need passion to get the vision accomplished for the glory of God. We all know people that have position that have no power and people with power but no position. When you are in your season and you fight with passion being fully dressed in the whole armour of God their is victory!

It was an exhilarating service that jolted us and ignited the passion we needed to continue to war a good warfare. Here are some photos of the service.

What is man that you are mindful of him? And the son of man that you visit him? Psa. 8:4

This scripture seem befitting for the honor bestowed upon us by God in bring an icon such as Dr. Juanita Bynum into our midst. We give veneration and honor to whom honor is due. It was not just one night of emotional exhilaration but three nights of soul stirring, correction, realignment and repositioning. It was indeed a “Divine Shift”!

The Doctor was truly in the house. She taught with precision and succinct. Not one word was wasted. The table was spread and the feast of the word of God was rich. It was bitter at times to our mouth but satisfying to the soul and spirit. The bitterness of truth is needed in this season to get the body of Christ to abnegation of the hidden works of dishonesty, folly, profaneness and spurious deeds being done in the church and on his altar. Through repentance and humility these three days led to an examination and a deep cleansing of our own personal prayer altars. Because what we see manifesting in the church is a result of the breakdown and neglect of our own temples, precisely our prayer altars.

Dr. Bynum expounded on the Old Testament temple that was the template for a sinless man, Jesus Christ. We are in Christ through our confession of faith and we are the temple of the Holy Ghost. When we understand who we are in Christ and operate in faith and His fullness, the God of peace sanctifies us wholly, spirit, soul and body.

Our body is the outer court, our soul is the inner court and our spirit is the holy of holies where the Spirit of God lives. We must present our bodies as a living sacrifice...(body represents the mind) holy and acceptable unto God. We must be transformed by the renewing of our minds. That transformation of the mind happens by the word of God. The word of God is a living word it works with your anatomy. When you feed the body (mind) the word of God it speaks to your brain particularly the frontal lobe that changes your behavior.

You experience behavior changes when you give yourself information (the word of God).

We find ourselves falling back into sin because we have not provided the brain with enough information to modify behavior. So the brain goes back into old behaviors which is recorded in the mind of the heart. We must hide the word in our hearts so we don't sin against God. We must abide because it is only a faithful man that shall abide in blessings not an indecisive man.

The stability of our temple is based on our relationship to our personal prayer altars. Our individual altars in our personal temples will reflect in our churches. Dr. Bynum elucidated the sacred altar of God with the kingdom vernacular that was refreshing and reviving to the church body. Those that yielded to the Spirit and Wisdom of God truly experienced a "Divine Shift" and recalibration. For that we give God glory!!!

Prayers for Israel and Palestine

We were scheduled to leave October 15th then war in Israel erupted October 8th. If we had left a week earlier we would have been in the middle of a war. My heart was broken. I truly have a heart for Israel. God made me a watchmen over Israel and I take their welfare very seriously. I grieved and I wept for the land and the people there. Please continue to keep Israel and Palestine in our prayers.

Pray for **JERUSALEM and ALL THE PEOPLE and LAND OF ISRAEL**

ì Pray for the peace of Jerusalem (Psalm 122:6)

ì For the people of Israel to come to know their Messiah, Yeshua (Psalm 40:7; Isaiah 53) ì For her borders to be secure (Exodus 23:31a)

ì For Jerusalem to be protected from being divided (Joel 3:2)

ISRAEL'S GOVERNMENT AND LEADERS

ì For Israel's leaders to be blessed and lead well, so Israel's citizens can live in peace and many will come to salvation (1 Timothy 2:1-4)

ì That they may be just and give their country stability, and be free from corruption (Proverbs 29:4) ì That they would ask God for wisdom and follow His lead (James 1:5)

BELIEVERS IN THE LAND OF ISRAEL

ì For the Believers in Israel to be strengthened with power in their inner being, so Messiah may dwell in their hearts through faith, and that they would know the love of Messiah (Ephesians 3:16-19)

ì That they would be filled with God's will, wisdom and understanding; live a life worthy of Him; bear fruit in every good work; have great endurance and patience; and be grateful (Colossians 2:6-7)

ì For their protection, and that those around them would be drawn to Yeshua because of their love for Him and one another (John 17:11, 23)

THE YOUTH and THE ELDERLY

ì For the LORD to comfort the young and old alike (Isaiah 40:1)

ì That they would know the LORD desires to give them hope and a future, not evil

(Jeremiah 29:11)

FRIENDS AND ENEMIES OF ISRAEL

ì That people and nations will take this Scripture to heart and bless Israel, thus receiving a blessing and not a curse (Genesis 12:3)

ì That the nations would understand the depth of God's wrath against those who don't follow Him (Isaiah 60:12)

ì For God to keep a watchful eye over His People, and bind the schemes and resources of their enemies so they can do them no harm (*Zechariah 12:1-5; Psalm 91*)
